

27th IAPD
CONGRESS
cancún
July 3-7 2019

Where the past meets the future

Dear Colleagues and Friends

On behalf of the IAPD Board of Directors and the Mexican Local Organizing Committee, it is our great pleasure to invite you to the 27th Congress of the International Association of Paediatric Dentistry (IAPD), scheduled to be held on July 3 – 7, 2019 in the beautiful City of Cancun.

This congress will be a landmark for the IAPD, since we will be celebrating the 50th Anniversary of our Association.

IAPD congresses offer the unique opportunity for participants to be exposed to new international trends, information and innovations regarding the oral care of children, by attending lectures from prominent scientists from around the globe.

The theme of the congress “Where the Past Meets the Future” portrays our aim to explore the multiple advances and the direction in which specialty is headed over the coming years, with respect to the traditional knowledge we have. To make this possible for all participants, we will offer simultaneous translation to Spanish available at all times, to ensure all presentations are conducted without language or communication barriers.

Moreover, delegates will have the chance to meet and network with colleagues from all over the world while enjoying the famous Mexican hospitality.

Cancun is a well-known leading global destination, offering outstanding air connectivity, magnificent archaeological sites, fun world-renowned water parks and water sports, plus a wide range of hotels in walking distance from the venue that could accommodate all your needs. So don't forget to bring your family.

Enrolment to participate is now open so you may check out the variety of registration options available. Our goal is to make sure your participation is satisfactory and allow you to maximize every moment of this important event.

More information is available on our website: www.iapd2019.org

We have a great team, working very hard to make sure that this Congress will be truly memorable; we are excited to meet you in Cancun next year.

Dr. Marc Saadia
Presidente del Congreso IAPD 2019
